

# Welcome to the Mathseeds Math Challenge!

## How to Participate:

1. Complete the registration form for your class.  
([www.mathseeds.com/mmchallenge](http://www.mathseeds.com/mmchallenge))
2. Ensure all students have logins (these will be sent to you and/or available via the Mathseeds Teacher dashboard once your entry has been verified and activated by the Mathseeds team.
3. Students can practice anytime from when they receive their logins until the start of the competition.
4. From February 5th, 2018, game on. Encourage your students to complete Mathseeds lessons, have fun, learn and do your best together to win some great prizes.
5. Remember to check back on the Mathseeds Math Challenge website for updates and standings.
